Per capita income in the States

318. SHRIMATI KRISHNA KAUL: Will the Minister of PLANNING be pleased to state:

(a) whether per capita income has shown a decline in the country; and

(b) if so, the names of the States where it has shown such decline during the last three years and the names of States where it has gone up?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI BIREN SINGH ENGTI): (a) and (b) The responsibility for the official estimates of per capita income for the country is of the Central Statistical Organisation (CSO) in the Ministry of Planning while that of estimates of per capita state income rests with the respective State Governments. According tc the estimates released by the CSO there is no decline in the all-India per capita income during 1983-84 to 1986-87. The estimates of net state domestic product for the year 1986-87 are available only in respect of nine States|Union Territories. The enclosed statement (*see* below) present the estimates of per capita state income namely per capita net state domestic product of various states and union territories at constant prices for the period 1983-84 to 1986-87. It would be observed that based on the latest three years, the states of Andhra Pradesh, Gujarat, Maharashtra and Rajasthan show a lower per capita income in 1986-87/1985-86 over 1984-85|198384. In the remaining States and Union Territories the per capita income has gone up.
